District Magistrate
Birbhum

Dear Sir

Coal India Limited is a Maharatna Company which is undertaking different CSR projects which come under the Schedule VII of Companies Act 2013. Under the corporate social responsibility, Coal India Limited has signed an MoU with Thalassemic India under the aegis of Ministry of Health. Under this program, CIL is supporting thalassemic patients of age below 10 years and family income less than Rs. 5 Lakhs per annum for Bone Marrow Transplant in the following hospitals:

1. Tata Medical Centre, Kolkata
2. Christian Medical College, Vellore
3. AIIMS, New Delhi
4. Rajiv Gandhi Institute for Cancer Research

An amount of Rs. 10.00 lakh per patient is being given for the BMT to these centres directly by CIL. These hospitals have also signed an MoU with CIL for treatment of the thalassemic patients. These patients can directly approach relevant hospitals or Thalassemic India.

May I request you for taking necessary steps as deemed fit to identify thalassemic patients in your districts from poor and downtrodden categories who qualify the above criteria for seeking assistance under this program.

For any further assistance please contact Uphar Kaushal, Asst. Manager (CSR), CIL at uphar13@gmail.com or 09433004025.

Regards
Siddh Nath Singh
